Subject: Reminder: Fish & Wildlife Meeting: Thurs. @10:30am

Dear Mayor and City Council,

As a reminder, we have our meeting with the Department of Fish & Wildlife this Thursday at 10:30am in Bradbury City Hall. The meeting has been agendaized, meaning we can have three or more Council Members attending the meeting. Please remember though – City business related items cannot be discussed unless it is directly related to wildlife issues and the upcoming community meeting.

Thanks,

Kevin
